## NEBRASKA SPELLS "SPORTSMANSHIP"

The University of Nebraska is known and respected all over the nation for its red-attired fans, as well as its football teams.

Nebraska fans also have a nationwide reputation for good sportsmanship, at home and away.

"Big League"—that's the way Nebraska teams and fans have acquitted themselves in past seasons, and that's the same goal for 1978.

The University of Nebraska urges all 1978 fans to continue this fine tradition of sportsmanship by extending courtesy to the visiting teams and officials.

All of us on the Cornhusker Staff salute our fans as the greatest in the nation and thank you for your support and sportsmanship.

Yours for Nebraska,

*Bob Devaney*  
Bob Devaney  
Athletic Director

## NU TRIES FOR WIN NO. 2 AGAINST HAWAII TODAY

Tom Osborne's Nebraska Cornhuskers hope to avoid in 1978 what happened to the Huskers in 1955, the last time the Hawaii Rainbows invaded Memorial Stadium.

That year, it was the season opener for Bill Glassford's Huskers, and the Rainbows pulled one of college football's major upsets of that year by shutting out Nebraska, 6-0.

Against Hawaii today, the Huskers will be looking for their second win of the season. Currently 1-1, Nebraska defeated California-Berkeley 36-26 last Saturday in Lincoln. Hawaii comes to town undefeated, beating New Mexico 22-16 last Saturday evening in Honolulu.

In the NU-Cal contest, the Huskers' Offensive Player of the Game was junior I-Back I. M. Hipp, who rushed for 154 yards on 23 carries. Hipp now has a two game total of 208 yards on 37 carries, for an average of 104.0 yards per game.

The Huskers' Defensive Player of the Game was junior middle guard Kerry Weinmaster, who had 10 total tackles, including seven unassisted, along with three stops behind the line for a total loss of 24 yards.

Last Saturday night in Honolulu, Hawaii trailed New Mexico 16-7 going into the fourth quarter, but scored 15 points in the final period to defeat the Lobos.

Leading the Hawaii surge was senior fullback Wilbert Haslip and junior defensive tackle Tom Tuinei. Haslip rushed for 127 yards on 23 carries and scored once, while Tuinei had 15 total tackles, including 11 unassisted.

Rainbow head coach Dick Tomey, now in his second year at UH, has a school and career mark of 6-6. Before becoming the head mentor of the Rainbows, Tomey spent 15 years at UCLA as an assistant coach.

Nebraska leads the Husker-Rainbow series 3-1. The last time the two teams played was in 1976 at Honolulu, as the Huskers defeated Hawaii 68-3.

# It's your move!

Your help can provide the strength to make an average university great. Members of the University of Nebraska Alumni Association work together to serve the University, its interest and its goals. In return, alumni membership offers many opportunities: alumni clubs, alumni reunions, constituent alumni groups, unique travel programs, the Nebraska ALUMNUS magazine, the Alumni Sports Reporter, low-rate group insurance, the alumni book club, discounts on Nebraska memorabilia, and more.

Association members share more than a common alma-mater. We share an abiding interest in the life of the University and in the community beyond. We share, too, a commitment to the continuing progress of the University. To learn more write:

Alumni House, 1520 R Street,  
Lincoln, Nebraska 68588

It's your move!

# You've put us on top

## Kimball Hall offers Dance, Theatre, Music

Dance—Theatre—Music! From mimes to musicians and actors to dancers, an exciting assortment of entertainment by nationally and internationally famous performers awaits Lincoln audiences in 1978-79 at Kimball Hall on the University of Nebraska—Lincoln campus.

Major dance companies in Kimball this year include the *Martha Graham Dance Company* Oct. 31 and Nov. 1 which will bring to the Kimball stage magical dances that have revolutionized the dance world. From the very beginning of her legendary career, Martha Graham has attracted magnificent dancers to her company.

The *Joffrey II Ballet* will present the final dance performance of the season (March 9 and 10). From their first exuberant burst on stage, the Joffrey II dancers perform with a vitality worthy of their youth and the skillful enthusiasm that the name Joffrey has come to symbolize.

Three extraordinary soloists will perform in Kimball this year. *Andre-Michel Schub* (October 8) is one of the most exciting young pianists on the musical horizon. Cellist *Janos Starker* will perform in Kimball November 30. February 22, flutist *Paula Robison* brings her astonishing technical ability and sensuously beautiful sound to Kimball Hall.

A program of twentieth century music is planned for October 19 when the *Aeolian Chamber Players* will perform.

Lincoln audiences will be treated to two symphony orchestras in Kimball Hall this year. The *Leipzig Gewandhaus Orchestra* of East Germany will perform in Kimball November 9 and 10.

Returning to Kimball Hall for their seventh consecutive year (April 3 and 4) will be the *St. Louis Symphony Orchestra*.

Theatre is represented in the Kimball season by a touring theatre company from New York and an internationally-applauded mime troupe. Holding the distinction of being this country's foremost touring repertory theatre company, *The Acting Company* of New York will present *Romeo and Juliet* February 8 and 9, and *Antigone* February 10.

Direct from a lengthy Broadway run, *Mummenschanz*, three Swiss mimes, will delight and amaze Lincoln audiences February 25.

Kimball Hall once again will offer patrons the opportunity to put together their own package of events from the Kimball season at a significant discount. For a complete brochure of events, call the Kimball Box Office at 472-3375.

## **CARING ABOUT YOUR GM CAR KEEPS MR. GOODWRENCH IN BUSINESS.**

Mr. Goodwrench is the professional service technician who works for your participating GM dealer. He has special General Motors tools, equipment and training—all available—to help him do his job and get your car out on time.

He also has genuine GM parts available—the kind engineered specifically for your General Motors car.

And Mr. Goodwrench wants you to compare his prices. Anywhere. Because General Motors has made it possible for him to have competitive prices on the parts you're most likely to use, like brakes, shocks and spark plugs.

That's Mr. Goodwrench for you. A professional. Stop in and let him show you how he cares. About you. And your GM car.

## Non-credit programs meet rising demand

Participation in non-credit continuing education programs is on the increase throughout the country, and the trend in Nebraska is no exception. The University of Nebraska—Lincoln Division of Continuing Studies utilizes conferences, institutes, and workshops in presenting many of its non-credit programs throughout the state.

Of particular interest is the increase in the number of programs designed for individuals in particular professions, and the increase in continuing education for women programs conducted by the Department of Conferences and Institutes.

The need for continuing professional education has expanded greatly in recent years as the result of:

- the rapid development of new technology which has accelerated the rate of obsolescence of the professional.

- the rapidly increasing continuing education requirements of the professional mandated for relicensure or recertification.

- the rapidly changing govern-

mental regulations on the professions and the legal responsibilities of the professional.

- the increasing demands on the professional for moral and ethical responsiveness to society.

Recently, the Division of Continuing Studies and the College of Dentistry jointly established a Continuing Dental Education Program which will make available to Nebraska dentists and dental auxiliaries the latest developments in the field of dental care.

In helping to meet the needs for continuing education for the professions in Nebraska, the Division of Continuing Studies has scheduled educational programs for people in a wide variety of professions, including agriculture, architecture, banking, cosmetology, dentistry, education, engineering, fire protection, human services, insurance, law, law enforcement, management, medical, real estate, social work, tax consulting, and others.

The Division of Continuing Studies has also established a Continuing Education for Women (CEW) program

which offers opportunities for women to participate in both credit and non-credit learning activities. This fall, a series of general interest courses for women who are looking for personal growth learning experiences will be offered in Lincoln, as well as a series of re-entry courses for women who are considering going back to school or work.

The general interest courses include writing, German heritage, financial management, time management, American short story film discussions, preretirement education and life planning, and courses on the roles of women in our society.

The re-entry courses deal with problems and concerns of women who find themselves in a position of transition between where they have been and where they wish to go. Re-entry courses will concentrate on career and life planning, project re-start, written communication, mothering and fathering in a work-centered society, how to go about your design for work, and several courses on mathematics.

# UNL Band roasts in summer for red hot '78 season

"All the ingredients are present for a tremendously exciting season," UNL Marching Band Director Robert Fought told 240 students invited to attend Band Camp Aug. 19-26th.

Whether or not Fought's recipe called for boiling and simmering of the main ingredients, members of the 1978 Cornhusker Band toiled all week long in temperatures reaching the upper 90's (several degrees warmer on Memorial Stadium's artificial turf).

Fought, shown right, demonstrated how to step lively during an afternoon session of the band's three-a-day "Fundamentals" practices.

More than 300 hopefuls auditioned for the Marching Band last spring. After Band Week, 212 students were assigned to places in the band and began preparations for the 1978 season. This year, in addition to pre-game, half-time and post-game shows at each home game, as well as appearances at pep rallies and other events, the Cornhusker Marching Band will entertain at the University of Kansas, Lawrence, on Nov. 4, and on the following day will perform in Kansas City at a home game of the Kansas City Chiefs.

# Know your candy signals.

## Signal for MILKY WAY® Bar.

Raise three fingers of left hand while pointing with right. Get three great tastes in one great bar.

## Signal for SNICKERS® Bar.

Left palm extended, while right hand makes three chopping motions. No matter how you slice it, it comes up peanuts.

## Signal for 3 MUSKETEERS® Bar.

Look up and point with three fingers while right hand rubs stomach. It's the fluffy chocolate bar that gives your spirits a lift.

## Signal for "M&M's"® Plain Chocolate Candies.

Alternate: left palm extended with lifting and pointing to mouth. "The milk chocolate melts in your mouth—not in your hand."

## Signal for "M&M's"® Peanut Chocolate Candies.

Move finger in clockwise motion pointing toward head. Go crazy for the peanut chocolate candies. "The milk chocolate melts in your mouth—not in your hand."

**These candies are on sale in the stadium now.**

These are  
some of the  
New York Life  
Agents in  
this community.  
They're good  
people to know.

# Join up with the winning team.

Ever since New York Life wrote its very first insurance policy more than 132 years ago, we've acted on the principle that excellence of service is the surest way to secure people's confidence and trust.

We've placed special emphasis, too, on the careful selection of men and women of integrity and ability to serve as New York Life Agents.

Maybe that's why millions of people depend on us today to help provide financial security for their families and their businesses.

For your financial security, join up with the winning team.

**We guarantee tomorrow today.**

The Omaha branch of Heinold Commodities, Inc., serves Nebraska agriculture with up-to-the-minute commodity futures quotations, instant placement of orders, and the latest information from its respected research department.

The Omaha office is connected directly by phone to the trading floors of the Chicago exchanges. It has immediate access to the latest Heinold research on cattle and grains.

Heinold—the nation's agriculturally-oriented commodity brokerage—guides producers in the successful use of hedging as a marketing tool for price protection.

## Welcome to the Big 8!

Now you can earn 8.00% annual rate, 8.33% annual yield, with our new \*Big 8 Certificate. Ask about this new certificate for highest interest and greatest yield on 8 to 10 year insured savings. When it comes to the newest saving plans with the biggest interest, you can count on First Federal Lincoln to cover the field at the kickoff.

### Annual Interest Yield Rate

5.39%	5.25%	MONEY SERVICE DAILY
5.92%	5.75%	MONEY SAVINGS 90

### MONEY SAVINGS CERTIFICATES:

5.92%	5.75%	3 Months (\$100 Minimum)
6.72%	6.50%	12 Months (\$1,000 Minimum)
6.98%	6.75%	30 Months (\$1,000 Minimum)
7.79%	7.50%	4 Years (\$1,000 Minimum)
8.06%	7.75%	6 Years (\$1,000 Minimum)
*8.33%	8.00%	8 to 10 Years (\$1,000 Minimum)

*Federal regulations require substantial interest penalty for early withdrawal of certificate principal.*

## **Better Homes & Gardens Selects Gateway Realty\***

For years, homeowners across Nebraska have turned to Gateway Realty for professional service when buying or selling their homes.

For generations, millions of families have relied on Better Homes and Gardens for help in building, remodeling and decorating their homes. This magazine has helped set the pace and standards in American living for more than 50 years.

Now, these two trusted names have joined forces through the Better Homes and Gardens Real Estate Service. Together we bring you years of experience in real estate . . . the best investment most of us make in a lifetime.

At Gateway, we're proud to have been chosen by Better Homes and Gardens as their exclusive member across Nebraska. We were selected for our business reputation, our professional experience and our record of service to thousands of Nebraskans.

# The New Chevrolet

Spectacular beauty, plenty of room, a pleasure to drive. And more.

We would not insult your intelligence by suggesting that you'd buy a car simply because it's beautiful.

But what if that beautiful car were also beautifully built, remarkably roomy inside, and a genuine pleasure to drive?

Now we're talking your language.

The New Chevrolet is a thoroughly contemporary automobile built around a roomy 6-passenger interior.

It comes as a pleasant surprise to most people that this trimmer car actually has more head room and more rear seat leg room inside than the 1976 full-size Chevrolet it replaced. It also has a bigger trunk. More corrosion fighters. And more ease of entry and exit.

More than 600,000 people bought The New Chevrolet (Caprice and Impala) during its very first year on the

market, making The New Chevrolet the most popular car in America.

It isn't just the beauty. But it sure doesn't hurt.

**You're invited to visit the Chevrolet football exhibit at the new College Hall of Fame at King's Island** (25 miles north of Cincinnati).

This unique museum lets you participate in the fascinating history of college football. See it soon.

The Caprice Classic Sedan

Now that's more like it.

**Chevrolet**

All the technical advancements come down to this:

# Getting the color right, automatically. That's what the 1979 ColorTrak is all about.

Last year RCA sold more color televisions than any other year in their history.

One reason is the ColorTrak System—a remarkable achievement that's been made even more remarkable for 1979. This year, ColorTrak grabs the color, aligns it, defines it, sharpens it, tones it and locks it on track more automatically than ever before.

## **Fine tunes every channel, automatically.**

The 1979 ColorTrak is the most automatic color set in RCA history. It's made to bring you natural, lifelike color—the right color—without bothersome adjustment and fine tuning. In fact, ColorTrak's new quartz crystal ChannelLock Tuner is so accurate you'll *never* have to fine tune a channel again. *Ever.*

RCA's new ChannelLock Tuner uses a vibrating quartz crystal to locate and lock on to each TV channel. This precision device completely eliminates the need for fine tuning.

## **Adjusts for varying colors, automatically.**

You've probably noticed how colors can change when a commercial or new program appears. ColorTrak deals with that problem two ways: Automatic Color Control continuously monitors color and adjusts it automatically. Colors stay consistent from scene to scene, program to program, channel to channel.

In addition, ColorTrak is equipped with Dynamic Fleshtone Correction that automatically keeps fleshtones warm and natural, for a consistently lifelike color picture.

## **Adjusts for changing room conditions, automatically.**

A color picture that looks fine when your TV room is dark may appear too dim when you turn on the lights or open shades.

ColorTrak's Room Light Sensor helps overcome this by automatically making the picture brighter. Colors stay rich and vivid.

To help even further, our black matrix picture tube has specially

tinted phosphors. They actually absorb reflected room light, to reduce glare on the screen.

A black matrix on the tube helps absorb reflected room light.

ColorTrak also has specially tinted phosphors that absorb additional room light to reduce glaring reflections.

## **Experience the 1979 ColorTrak at your RCA Dealer now.**

There are many other features that contribute to the magnificent RCA ColorTrak picture.

But all the features and technical advancements really come down to this: RCA wants you to see the right color. On every program. On every channel. Every time you turn on your set.

For the complete line of ColorTrak models, write to: RCA Consumer Electronics, Dept. 27-212, 600 North Sherman Dr., Indianapolis, Ind. 46201.

RCA is making television better and better.

Simulated TV picture of actress Samantha Eggar shown on a 25" diagonal ColorTrak console. Its contemporary cabinet design is highlighted by a rich pecan finish on hardwood, chrome plated base and simulated wood trim—Model GC 930.

## A computer tool for small businesses

### ECONOMY:

The MITS 300 costs less to buy than a motor home or fancy copying machine. If you're big enough to be in business, you're big enough for a MITS 300.

### EFFICIENCY:

Do inventory, payroll, accounts receivable, hundreds of business functions, plus scientific and educational applications. Use pre-programmed applications software or build your own programs.

### EASY-TO-USE:

Anyone on your staff can operate a MITS 300. It uses BASIC computer

language that talks plain English and its simplified keyboard is as easy to use as a typewriter. Expandable for future needs with add-on modular hardware.

Built and backed by Pertec Computer Corporation, (world's leading independent producer of computer peripheral equipment and distributed processing and data entry systems).

# Clap Your Hands You Fans In The Stands. Stand Up and Cheer For The Cookbook of the Year.

Hooray! Souffle! Whoop-Tee-Doo! Campers Stew!  
Give A Yell, Give A Shout, Bring The Big Red Cake On Out!

They're CHEERING and chuckling in 50 states and 9 foreign countries over a cookbook filled with choice, easy recipes---and more. This WINNING FORMATION of "better batter and things that matter" wasn't put together by li'l ol' ladies in tennis shoes punching holes and tying yarn---it was put together by a TEAM of GAME gals who wanted to do something personal to help pay for nearly \$800,000 tornado damage to First United Methodist Church, Omaha. We've made it easy and fun for you to nourish your body or (if you've a mind to) your mind, too!

## Laughter in Every Chapter

All 13 chapters will brighten your menus, your days, your outlook. Here's a taste:

- **IN THE BEGINNING** (Appetizers and Salads) If you park miles from the **STADIUM**, try the **Walking Salad**.
- **MAN DOES NOT LIVE BY BREAD ALONE** (Casseroles) 'Ever had pineapple casserole? Don't say "Yuk!" It's almost as good as beating Oklahoma!
- **ALL GOD'S CHILLUN' GOT A HOLLOW LEG** (For and by kids) Things to munch like Crazy Crunch: lotsa snacks for hikers' packs. **ALL TOGETHER NOW**: Give a **YELL** (oh!) for Finger Jello!
- **LEAD US NOT INTO TEMPTATION** - Recipes for that sin-sible part of the meal. (Oh, Lord! What's the **PENALTY** for a second helping?)
- **NEGLECT NOT THY BODY** (Diet and Nutrition) There's help for your shoddy body.
- **FEEDING THE MULTITUDES** (Quantity Cooking) Ideas for tailgate parties or other big **HUDDLES**. How about slaw for 1400?
- **MODERN MIRACLES** - Fast fixin's and new tricks in microwave cooking.
- **REVELATIONS** (the last chapter) You'll pause for guffaws when reading blunders revealed by brides and first-time cooks: reflections by the father of the bride and father of the groom to tug at heart-strings.

SHOW THIS AD TO YOUR FAVORITE COOK; BETTER YET, SPLURGE AND SEND FOR THE BOOK!

### ATTENTION: MEN AND NON-COOKS

You don't have to cook to like this book! Even if you've never taken thyme with rosemary (those are spices!!), you'll get a **KICK** out of this book fit for **MAN, WOMAN AND CHILD**! We'll even **COACH** you on how to best serve Tom (turkey, not Osborne!)

### WHY IS THIS COOKBOOK LIKE A FOOTBALL PLAYER?

ANSWER: Because it has pockets, a strong full back (a full front, too), many options, it stands up, lies flat and (praise be!) it has a washable cover!

### DON'T BE LEFT ON THE SIDELINES

Don't PASS it up! MY CUP RUNNETH OVER is the "last HURRAH!" in cookbooks.

HURRAH!

# HOW TO WIN THE TOSS.

Our fluid-support mattress floats you to sleep. Unlike the flat, unyielding surface of a spring bed, our Land and Sky mattress is alive to your body. It conforms to the small of your back, the crook of your neck and the back of your knees so you sleep without restless tossing.

In Lincoln, we have 2 handsome stores where we offer complete floatation sleep systems, plus everything beautiful to enhance your bedroom environment. We have our own Interior Decorator to confer with you, and our sales people know the Land and Sky product fully so they can answer any questions you may have.

Come in and choose the floatation system that fits your personal sleep-style. Then rest easy. You won't toss.

**land and sky**

## VISA-Master Charge Service Center

**P.O. BOX 81068  
LINCOLN, NE. 68501**

# Just a spot in the road . . .

## BUT WHAT A SPOT!

We're not even easy to find on a map . . . most people hear about us first from friends, neighbors or through our extensive advertising, yet even after that, they can't believe what they seen when they enter our lush 3 acres of Total Home Furnishings. It's not too surprising, when you consider this beehive of activity is plunked down right in the middle of nowhere, yet contains two large roll carpet showrooms, a complete Bedding display, total departments in Appliances and Television (including Wanek's own service department with expert personnel to handle your every need) huge

rooms filled with Living Room, Bedroom, Dining Room and Dinette displays . . . plus an elegant Showcase of 45 individual rooms, each totally decorated right down to the ashtrays. Wanek's country setting also means lower overhead, couple that with our immense volume buying and selling and you have some pretty important reasons why the best brands in America cost you less at Wanek's. We may be only a spot on the map . . . but it's a spot that can change your way of living . . . and we're still working to make you even happier. So come in and see us soon.

# Wanek's of Crete

*Wanek's own  
trucks deliver  
statewide direct  
to your door*

Monday - Saturday 8 a.m. - 9 p.m. • Sunday 1 - 6

# Cornhusker Wheel Club 1978

Automobile dealers in Nebraska are contributing a large measure of help to the University of Nebraska athletic program through the loan of courtesy cars. Like other programs which are a part of the Cornhusker booster group activities, this project enables the Nebraska Athletic Department to make greater use of its funds.

These sports-minded dealers around the state have earned a debt of gratitude from the University of Nebraska Athletic Department. They are an important part of the "team" that includes players, coaches, administration, faculty, staff, students, alumni, Husker Educational Award group, Touch-down Club, Extra Point Club, Beef Club and the courtesy car program.

## NEBRASKA FOOTBALL SCHOOL—1979

Next summer, Tom Osborne and the entire Husker football staff will direct the Nebraska Football School.

Students entering the 9th, 10th, 11th or 12th grades next fall will have the opportunity to be instructed by men who coached National Championship teams and recruited many of the finest athletes in the country.

Personal instruction on individual techniques and fundamentals will be taught daily on the Memorial Stadium AstroTurf. A weight training circuit program will be included following the afternoon practice, just like the Nebraska football team has during the season. The Nebraska heavy off-season weight room will be available for lifting during your free time. Evening sessions will be devoted to films and recreational activities.

Get a head start this year at the Nebraska Football School. And learn what it takes to be a champion with the Cornhuskers. Write for a brochure today.

## SPORTSMAN SHIP.

Frontier Airlines can take you to the warmth of Arizona for golf and tennis. Or to the powder of the Rockies for skiing. We'll take you to hiking trails through Yellowstone, swimming in the blue California ocean, and to the night games of Las Vegas.

When you want to get out and play, we want to be the airline that gets you there. And on Frontier, you'll get there in style. For your comfort, we give you first class legroom at coach prices. And for your pleasure, we give you the kind of service and attention that's making us famous.

So whether you're headed for mountain traverses or 18-hole courses, get on Frontier. And discover the real meaning of Sportsman Ship.

 **FRONTIER AIRLINES**

First class legroom at coach prices.

**At the end of this season, this team  
will be number one.**

## **The Kodak All-America Team**

It's one of the oldest and smallest teams in college football. It doesn't have a win-loss record. It doesn't set rushing records, and it has never scored a touchdown. Yet, at the end of the 1978 season, the Kodak All-America Team will be the number one team in college football.

What this team will have is the 22 very best players of the season. Twenty-two men who have earned the right to be called All-American. No amount of popularity or publicity can put a player on this team if he doesn't deserve to be there. It is a distinction which is earned with

outstanding ability, sportsmanship and leadership. And these players have to prove themselves to the toughest coaches of all, the American Football Coaches Association.

The Kodak All-America Team is

**The 1978 Kodak All-Americans  
...watch for them.**

**A KODAK SPORTS PROGRAM**

the only team which represents the choice of the more than 2,000 college and university coaches who are the American Football Coaches Association. Their standards are exacting, for this is a team that for 89 years has included the greatest names in college football.

The 1978 Kodak All-America Team has yet to be selected. The field is large, for there are more than 12,000 players from which to choose. But when the season ends, a handful of men will have distinguished themselves, and earned the honor of being on the number one team in college football.

# Entire state is "main campus" for Continuing Studies Division

By Hal Allen  
Director of Communications  
Continuing Studies Division

A "student body" of over 75,000, a "curriculum" of more than 1,600 activities, and service to a geographic area that includes 130 countries makes the program of the Division of Continuing Studies one of the most diverse operations of the University of Nebraska-Lincoln.

The educational programs of the Division of Continuing Studies are designed for the nontraditional student—people who are not enrolled in the traditional day classes of the University. The breadth and scope of the programs, and the delivery systems utilized, make it possible for individuals all over the world to participate in University of Nebraska-Lincoln educational programs.

The state of Nebraska is the "main campus" of the Division of Continuing Studies. Classrooms for programs may be located in public schools, churches, motels, or community buildings in cities and towns from Chadron to Nebraska City, from McCook to South Sioux City.

College credit courses are made available to Nebraskans in a variety of ways. University professors travel to convenient outstate locations to conduct field classes on both the undergraduate and graduate levels. This fall, field classes are being offered in Bellevue, Columbus, Fremont, Grand Island, Millard, Omaha, Niobrara, Norfolk, North Platte, Ogallala, Peru, Scottsbluff, Seward and Syracuse. In addition, large numbers of adults in eastern Nebraska enroll in the extensive evening class program on the UNL campus which is administered by the Division of Continuing Studies.

Many Nebraskans take advantage of the opportunity to pursue their college education through study at home, utilizing the Division's SUN Telecourses and the Independent Study by Correspondence Program. Seven telecourses are being offered through the SUN program beginning in late September and early October. College credit and non-credit courses are broadcast into the home on the nine stations of the Nebraska Educational Television Network, and students also utilize mailed instructional materials and have access to faculty consultants via free long distance telephone lines.

Students anywhere may enroll in

the 140 college credit courses offered through Independent Study by Correspondence, and proceed with their studies at their own pace and according to their individual schedules. Many high school seniors who have virtually completed their diploma requirements enroll in freshman level college courses to get a head start on a college degree.

The Division of Continuing Studies Independent Study High School offers a complete high school curriculum which is utilized by students all over the world. It is the largest university based program of its kind in the U.S., and the only one to be fully accredited by the North Central Association of Colleges and Schools. It is also accredited by the Nebraska State Department of Education, which enables the Independent Study High School to issue a "Class A" diploma to all students meeting graduation requirements. Adults who do not have a high school diploma may earn one through independent study, and students with schedule conflicts, or who find a course they wish to take not available through their local school, find independent study courses can meet their needs.

In outstate Nebraska, the Division of Continuing Studies maintains Uni-

versity of Nebraska Learning Centers at Kearney, Scottsbluff, Lincoln, Omaha and Norfolk.

Each of the centers plans and develops educational programs utilizing University of Nebraska resources to meet the needs of people in their individual areas. For example, the Lincoln center conducts the "Communiversity Program," a series of non-credit special interest courses conducted at the Nebraska Center for Continuing Education, primarily in the evening hours. The Scottsbluff and Kearney centers conduct and coordinate both credit and non-credit courses in several communities in central and western Nebraska. In Norfolk, the Division cooperates with other University of Nebraska campuses, Northeast Technical Community College, Wayne State College, and the State Department of Education in the NEWUS project, which coordinates the continuing education programs of the cooperating agencies in northeast Nebraska. The Omaha center primarily serves students enrolled in SUN Telecourses, and the centers in Scottsbluff, Kearney and Lincoln also provide full services to SUN students.

It will be Homecoming Weekend when the Cornhuskers meet the Kansas State Wildcats in their next home game Saturday, Oct. 14.

This year's Homecoming Celebration, Oct. 13-14, promises to be the most exciting in years for students, alumni, and the entire Lincoln community. The Tassels and Corn Cobs, the spirit organizations traditionally responsible for planning the Homecoming Festivities, will join this year with other groups, including the Student Alumni Board, ASUN, and the Union Program Council, UNL fraternities and sororities, and residence halls to assure something of interest for everyone.

A major "first" for the Homecoming Celebration will be an "October Pops" Concert by the Lincoln Symphony Orchestra, sponsored by the Lincoln Symphony Orchestra Association and the Lincoln Symphony Guild. The concert, at 8 p.m. Friday, Oct. 13, will feature the best of popular music, a medley of UNL favorites, and special guest appearances. KFOR's Bill Wood will be emcee for the concert, for which tickets can be purchased in advance or at the door. Students, alumni and the public are invited.

On Saturday morning, a major boost in the festive Homecoming atmosphere will be provided by several ethnic organizations which will present entertainment and displays under the "Link" joining the old Love Library to its new addition. The Student Alumni Board is in charge of arrangements for the International Fair, aided by the Corn Cobs and Tassels who will offer sandwiches and soft drinks for sale to game-bound Big Red fans.

Of course, there will be the traditional Homecoming displays in front of fraternity and sorority houses, and this year's Homecoming Royalty will be crowned at half-time of the football game.

The College of Home Economics and Dental College are planning reunions for Homecoming Weekend, with Dental College displaying for the first time pieces from its new Dental Museum collection at the Dental College from 8 a.m. to noon Saturday.

Among Alumni Association activities will be a reunion of the 1928 Cornhusker football team, whose members will be guests at a reunion dinner to be held Friday night.

## Main Campus . . .

(continued from p. 68)

Institutes in the Division of Continuing Studies conducts short-term non-credit programs on professional, vocational, avocational, and special interest topics at sites throughout the state and at the Nebraska Center for Continuing Education in Lincoln. Opened in 1961, the Nebraska Center hosts more than 400,000 individuals annually who participate in educational conferences, institutes and meetings. The facilities of the Center include conference and meeting rooms, public dining rooms, and hotel guest rooms for visitors to the University.

Programs conducted by the Division of Continuing Studies do not just happen. The Department of Program Development works with professional associations, organizations, agencies, public and private institutions, and individuals in planning continuing education programs. The staff brings together clientele groups with appropriate resource people from the University to identify educational processes to be utilized in meeting educational needs.

Another service of the Division is counseling for adults who wish to either begin college study or continue college work started in the past. The number of adult students has increased steadily in recent years, and the college counselor helps students in planning their educational programs and in the selection of meaningful courses. The Division also provides counseling service for students enrolled in the Independent Study High School Program.

# Dentistry's painful past on display Oct. 14

By Judy Nelson  
Graduate Assistant  
Office of University Information

Patients who tense at the sound of a dentist's high-speed electric drill can be glad they need not change places with their counterparts of 100 years ago.

Then there were no high-speed drills to work fast and lessen pain. Instead, a traveling dentist in Nebraska might open the way to a cavity by drilling into the tooth by hand; he started with a small drill, twirling the instrument, and as the hole he was working on grew he switched to larger drills.

Luckily, for today's patient there have been many innovations in dentistry in the past 100 years. The hand-twirled drill is gone, but Dr. Stanton D. Harn and others at the University of Nebraska-Lincoln College of Dentistry want to make sure that it and other parts of dentistry's past are not forgotten. That's why they've started the school's new dental museum.

The first special showing of the new museum's collection will be at Homecoming (Oct. 14) during Dental College's annual Homecoming Open House. The items will be on display from 8 a.m. until noon.

**Dr. Stanton Harn**

"The purpose of the museum is to give students, faculty, patients and people in the community and state an understanding of the developmental history of dentistry, which had its origins long before Christ," says Harn, museum committee chairman and an associate professor of oral biology (anatomy) at the Dental College.

History which can be looked at and touched is now present in the museum in several forms, including a donated nineteenth century traveling dentist's kit. It contains extracting forceps and the hand-twirled drills which preceded today's high-speed machines.

During the showing of the museum's collection at Homecoming, visitors will see various pieces of dentistry's history, including a reconstructed dental office of the turn of the century, complete with foot-pump drill.

As the museum grows those at the Dental College expect to divide its exhibits into three major categories. The first, dental history, will trace dentistry from the Old World to the present, and will include a special section on dentistry in Nebraska.

The second category will be the history of the University of Nebraska-Lincoln College of Dentistry; the third will be comparative anatomy displays of teeth and skulls. Eventually they hope to develop sections for each dental specialty so that students with a special interest can trace the development of that interest through time.

Harn stresses that the new museum will be financed through contributions from College of Dentistry alumni and friends of the University and not through the Dental College budget, and that is why donations of books, equipment, supplies and money are so important. A fund has been established at the University of Nebraska Foundation to process all tax deductible donations.
